

FC BATTERSEA COVID DECLARATION

By attending any fixtures, training session or other club activity at FCB you are deemed to consent that:

1. You have understood the activities being offered to your child and that you agree with the measures the club has put in place to manage any risks, including Covid-19 measures in line with government guidance.
2. Your child, their household and anyone taking your child to training is free from any symptoms related to the Covid-19 virus <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>
3. If your child has had Covid-19, or Covid-19 symptoms for more than seven days, you must seek medical approval from your family doctor before they can restart football activities
4. If your child has any medical needs, please discuss this with the FCB welfare officer and agree the best way to support your child's needs via cwo@fcbattersea.com
5. If you wish to withdraw consent to your child participating in any or all activities, you may notify us at any time

The above applies to both FCB players/members and ALL visiting teams, club guests or the like.

Many thanks for your co-operation in these difficult times.
